SUBJECT Evacuation of Families Along Austrian-Czech Border

PLACE 25X1A

ACQUIRED

DATE OF INFO. 25X1C

1. Families which are suspected of strong anti-Communist leanings and of which some members have been imprisoned for political reasons are being evicted from an area of 10 km along the Austrian-Czech border and are being resettled in central and eastern Slovakia.
2. Farmers who are evicted are not allowed to take their stocks or tools. Although they have not been notified officially, they believe that they will be forced to join the collective farms in their new locations.
3. Approximately 40 families have been evicted from the Mikulov area. Thirty of them owned small farms which have already been colonized with Russians who have taken over the stocks and equipment. These colonists come from the far eastern section of the USSR and have a Mongolian cast.
